# The latest innovations from VFO

VFO boasts the leading brands in portable electronic magnifiers.

Portable electronic magnifiers are the natural progression from normal hand held magnifiers due to high powered magnification and the ability to change colours and contrasts.

At all of our events you can get hands-on-experience, of our latest products. With an experienced consultant On hand to give you advice and answer any questions you may have.

“Solutions for all conditions of visual impairment”

We offer a 15% discount on all products purchased on the day of the event. This is not to be used in conjunction with any other offer.

If you are unable able to attend this date we do provide FREE home demonstrations on most products.
