

Christmas 2018

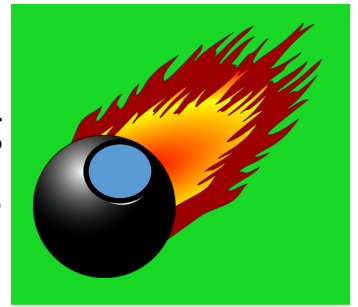

Welcome to our Christmas newsletter which is packed with special invitations and information that we hope you will find useful.

We hope you will join us for some or all of our events that we have planned over the festive season, it is a time to be with friends and we always like to make new ones!

Service Spotlight

Carpet Bowls - We don't have flames coming out of the back of our bowling balls like the picture shows, however we are quite good!!

Why not come and join our bowlers on a Friday morning 10am until noon, we have a very large room where we can lay a long purpose made bowling mat. It is suitable for all abilities, beginners, experts, standing or sitting, we can make it work for you and have helpers on hand for when and if you need any assistance. It is a fun group, with an opportunity to chat and make friends over coffee.

Products of the month

Are you finding it difficult to see the keys on your keyboard?

Here are a couple of ideas to help.

Large Print keyboard

Large print keyboard stickers

Or better still why not learn how to touch type.

You can learn with us here at the centre or try this website for free www.typingclub.com

RSVP by 9th Nov

Showcasing achievement

UPDATE!

Our pottery class enjoyed an incredible experience exhibiting as part of the Great North Art Show. The Vision Support Centre Potters won an award, which was presented at the preview evening, for 'Highly Commended Body of Work'. Congratulations to all our potters and a huge thank you to our Pottery tu-

tor Kay Latto for all her hard work ensuring that everything was organised and ran smoothly. A big thank you to Cowen & Morgan Opticians, Ripon, for sponsoring the Sculpture Exhibition.
